Rebuilding of Model Village at Basti Khara Niazi

03 May, 2011

Mouza Sabzajat, Tehsil Muzaffargarh

We are pleased to bring you the latest update on the model village (Basti Khara Niazi, Muzaffargarh) which HOH is rebuilding through our resources. The photographs below were taken on 14 April, 2011

- A total of 91 houses are currently under construction out of which HOH has financed a block of 50 of them
- Cement plastering of 41 houses is under progress. Construction of courtyard and external walls is also under progress
- Work on the remaining 50 houses is progressing at a fast pace and most of the walls have been constructed till the roof level
- 20 feet wide streets are provided separating each block.
- All 91 houses to be completed by 15 June, 2011

Cement Plastering under progress

Courtyard and External Walls under progress
